SETRA 431 DT

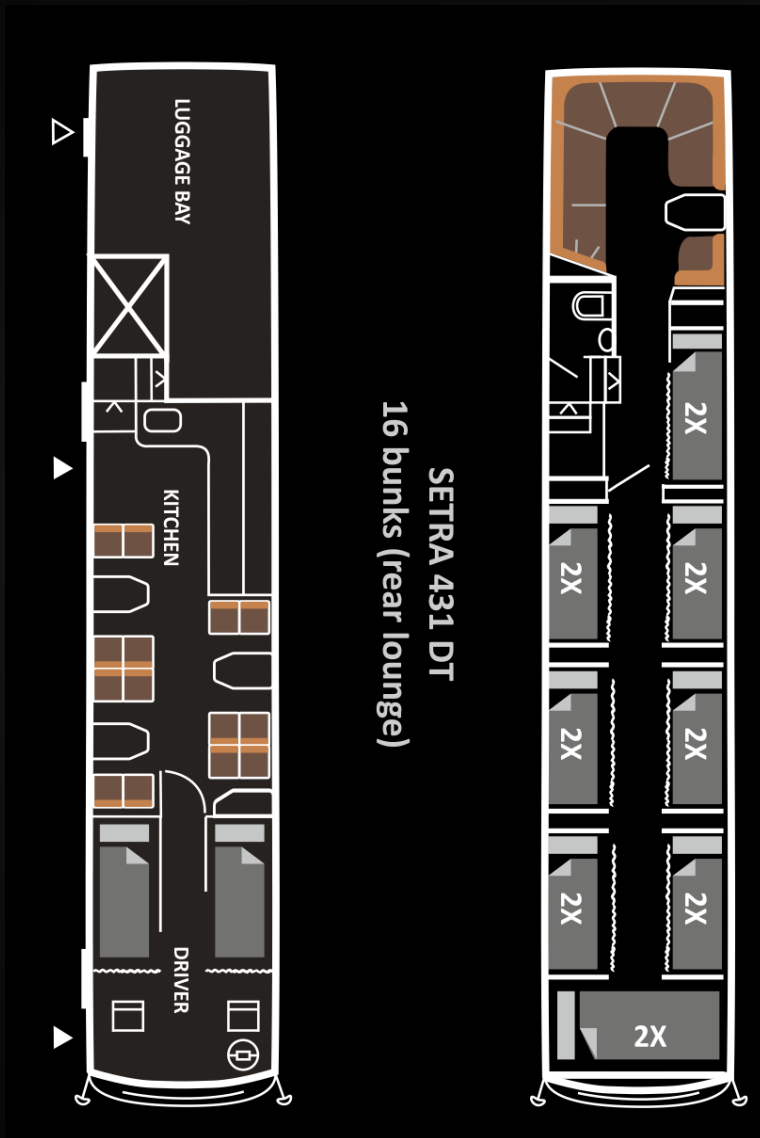

Setra 431 DT doubledecker

Capacity: 16 passengers and 2 drivers.

The popular large Setra 431 DT double decker allow the creation of a separate spacious sleeping area on the upper deck.

This double decker has been radically redesigned to allow 16 bunks and still be able to offer two lounges, a smaller lounge in the rear on upper deck, separated from sleeping area, and a large lounge and kitchen area on lower deck. WC is located in the stairs.

In addition, the driver compartment is separated from the touring party by a door. This design layout is ideal for larger groups who can choose to be sociable or more private. The bus interiors are fitted to be the highest standard, with luxury leather seating throughout and great onboard catering facilities and latest entertainment tech.

- Fully equipped kitchen with large 5 drawer style fridge, coffee maker of your choice, microwave, kettle, toaster, and sink with hot and cold running water.
- Latest media technology invites you to enjoy a nice movie (Smart TV) or listen to music in any of the lounges.
- Gaming of your choice, Playstation/ Xbox.
- Free WiFi in Sweden. Norway and Denmark. Pay as you go WiFi available on request for rest of Europe.
- A fully tiled washroom with water sealed toilet and fresh air ventilation.
- One stair case in middle of bus to access the upper lounge and sleeping area/WC.
- All bunks are made up with high thread count, luxury bed linen.
- Each bunk have Individually controlled fresh air ventilatio, 230V EU power outlet and USB charger.
- Electronic keypad entry.

The bus is fully airconditioned while driving as well as parked with landline air conditioning (32 A power supply is required at the venue), and have thermostatically controlled central heating system.
